

STATE OF NEBRASKA
DEPARTMENT OF NATURAL RESOURCES
ORDER NUNC PRO TUNC OF
ORDER APPROVING APPLICATION A-18256
WATER DIVISION 2-A

Background

On December 29, 2004, the Department of Natural Resources approved application A-18256 for the PIWO Reservoir. The source of water was incorrectly identified as Deer Creek on application A-18256 for a permit to impound water, on application for approval of plans for dams and on the Order approving application A-18256 rather than a tributary to Deer Creek. The error should be corrected nunc pro tunc so that the approval correctly reflects the source of water as a tributary to Deer Creek.

Therefore, it is ORDERED the source of water to be stored in PIWO Reservoir is a tributary to Deer Creek.

All other portions of the Order dated December 29, 2004, approving application A-18256 remain as issued.
